DAVISVISIONSM

Health Plans, Inc. is very pleased to provide you with this information about your vision care discount plan administered by Davis Vision, Inc., a leading national administrator of routine vision care programs.

What are my services?

Through special arrangements, Health Plans, Inc. makes discounts on examinations, eyewear and contact lenses available to members. Please note: This is a discount program only.

Who are the network providers?

You may choose from Davis Vision contracting providers or contracted retail locations for discounted services. If you already have a vision examination as part of your health plan, use an in-network ophthalmologist in your health plan network for your examination. Then, use a Davis Vision contracted network provider for your hardware purchases (eyeglasses, etc.) and maximize your savings (you should verify whether or not the Davis Vision provider accepts outside prescriptions).

All Davis Vision contracted network providers are licensed providers who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please call Davis Vision at **1-800-999-5431** to access the Interactive Voice Response (IVR) Unit, which will supply you with the names and addresses of the network providers nearest you, or you may access our website at www.davisvision.com and utilize our "Open Enrollment" feature. You will be prompted to enter your Client Control Number, which is **7229**.

How do I receive services from a Davis Vision network provider?

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a Davis Vision plan participant and a Health Plans, Inc. member.
- Present your Health Plans, Inc. plan ID card at the time of your visit.

It's that easy to receive services!
